Remarks

The Gulf & Bay Club on Siesta Key is, by its own definition: exclusive, elegant and engaging. A gated 32-acre community with unrivaled waterfrontage and amenities, this is not your typical beach front condo, this is unparalleled resort living on Siesta Key. In this premium community, building F is ostensibly the prime location with sprawling views of the white sands of Crescent beach that gently fade under lapping waves into the crystal-clear waters of the Gulf. Spacious and turnkey furnished, this bright unit offers just under 1,500 square feet of living space and an open concept that allows you to move and converse freely throughout. A kitchen outfitted with ample storage also offers an informal dinette while the dining area still boasts seating for 8. The comfortable living space, adjacent to the integrated lanai, will keep you comfortable while you gaze upon the coveted, unobstructed horizon view. Retreat to your owner's suite with generous space and more captivating panorama. Guests will be comfortable in the additional bedroom and full bath while laundry and closet space benefit your organized routine. A dedicated, covered parking space is an added bonus. Meander along the footpaths through the meticulously manicured courtyard with a freshwater lake and fountain
